Title of the qualification (SV)

Leipurimestarin erikoisammattitutkinto (FI)
Specialyrkesexamen f

Translated title of the qualification (EN)

Specialist Qualification for Bakers (EN)
This translation has no legal status.

Profile of skills and competences

Composition of the qualification

The modules of the qualification are breads, pastries, confectionery products, prepared bakery products, decorative bakery products and presentations and business management and supervisory assignments. Candidates may specialise either in industrial baking or in small-scale bakery operations.

Vocational skills and competences required for completion of the qualification

Those who have completed the qualification shall:

- command the working methods, machinery and equipment used in bakeries and also be capable of instructing other workers in these aspects*
- be familiar with raw ingredients and their properties even in special diets*
- be aware of the effects of various raw ingredients on products*
- be able to price their products profitably*
- know how to store raw ingredients and products correctly*
- be capable of assuming responsibility for the quality of their own products and those of their own unit*
- be familiar with the applications of different types of sponge, souring agents and sweeteners and employ their skills to make and design a variety of products*
- understand the significance of good customer service and sales to a business enterprise*
- be able to present their products both orally and in writing*

Range of occupations accessible to the holder of the certificate

Those who have completed the qualification may work in various assignments requiring a high standard of vocational skills in the field and in supervisory and product development assignments.

(*) Explanatory note

This document is designed to provide additional information about the specified certificate and does not have any legal status in itself. The format of the description is based on the following texts: Council Resolution 93/C 49/01 of 3 December 1992 on the transparency of qualifications, Council Resolution 96/C 224/04 of 15 July 1996 on the transparency of vocational training certificates, and Recommendation 2001/613/EC of the European Parliament and of the Council of 10 July 2001 on mobility within the Community for students, persons undergoing training, volunteers, teachers and trainers.
